CONCORD, N.H.

Dear Mr. McInnis:

This will acknowledge receipt of your letter of December 7 to Elmer Bourque in which you inquired whether State employees may be paid on Wednesday, December 24, instead of Friday, December 26.

It is the opinion of this office that such procedure is not proper and the employees may not be paid prior to Friday, December 26.

This opinion is in agreement with prior opinions rendered by this office and we refer you particularly to the opinion of the Attorney General to Governor Dwinell, dated March 29, 1955.

Very truly yours,

Jarlath M. Slattery  
Assistant Attorney General
